

Volunteers of America, Nemnich

**Jennings, Missouri
2006**

PROJECT OVERVIEW

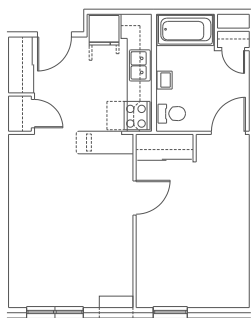

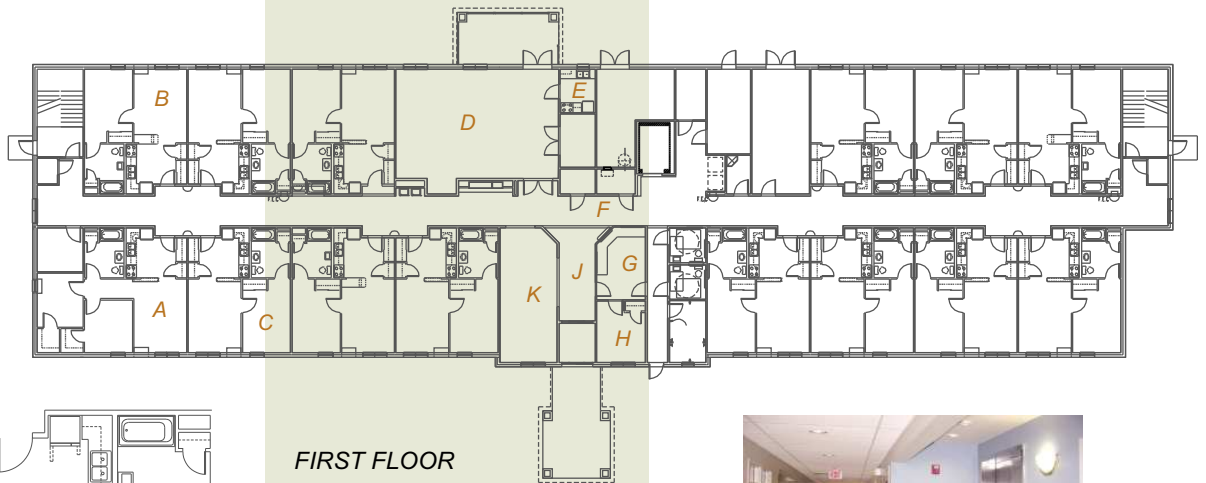

This 54 unit senior apartment building is the first joint effort of architect, St. Louis Design Alliance and developer, Volunteers of America. Resting on 2.42 acres, its' efficient design meets the needs of low-income elderly residents and is also handicapped accessible. In addition, the residents may enjoy community activities in the buildings' multi-purpose room.
