

## **Mt. Beulah Terrace**

**St. Louis, Missouri  
2009**

### **PROJECT OVERVIEW**

*STLDA offers independent living in this three story 40 unit HUD community located across the street from a public park. Units are fully accessible and efficiently designed with tuck under parking. A multipurpose room provides residents with public space. The projected brick facade designed with recessed siding creates a pleasant architectural rhythm..*

*sitting room*
