

Christian Care Homes

**Ferguson, Missouri
2010**

PROJECT OVERVIEW

St. Louis Design Alliance embarks on another HUD retirement community with sponsor, Christian Woman's Benevolent Association. This 178 unit facility consists of 150 independent and 28 assisted living units for low-income seniors. Residents have several public spaces including four dining rooms, two activity areas, a chapel, and hair salon. At the end of each of the four care wings there are large porches where residents can fellowship together.
